

COLORDash Par H7X Barndoor

A four-leaf aluminum barn door accessory designed for COLORDash Par H7X and H7XIP fixtures that uses adjustable leaves to shape the light output and prevent unwanted spill.

Perfectly suited for stage and architectural environments requiring focused illumination on specific elements while shielding surrounding areas from excess light.

- Engineered for a secure fit on COLORDash Par H7X and H7XIP fixtures.
- Provides precise directional control to shape the fixture's light output.
- Features four independently adjustable leaves for versatile beam shaping.
- Eliminates unwanted light spill for cleaner and more defined stage looks.
- Built with a rugged aluminum housing and a non-reflective black finish.
- Ideal for theatrical, broadcast, and architectural applications.
