

# Maverick MK2 Spot/Profile and MK1 Spot/Hybrid (2) Road Case

A custom-built road case designed to securely transport and store two Maverick MK2 Profile, MK2 Spot, MK1 Spot, or MK1 Hybrid fixtures.

Perfect for rental houses, touring productions, and mobile applications requiring durable protection and efficient truck-packing for valuable lighting equipment.

- Built with tour-ready materials to withstand the rigors of frequent transport.
- Houses two fixtures in a custom-molded interior for superior shock protection.
- Features heavy-duty casters for smooth mobility during load-in and load-out.
- Designed with recessed, spring-loaded handles for safe and efficient handling.
- Offers a truck-pack friendly design with stacking wells to maximize transport space.
- Supports four Maverick models, adding versatility to your lighting inventory.
