

Maverick MK3 Wash (2) Road Case

A durable, custom-built road case designed to securely house and transport two Maverick MK3 Wash fixtures while simplifying load-in and maximizing storage space. Perfect for touring productions, rental houses, and mobile event companies requiring robust protection and efficient transport for their lighting inventory.

- Constructed with rugged plywood and reinforced steel ball corners for tour-grade protection.
- Features a custom foam-lined interior to securely hold and protect each fixture.
- Offers effortless mobility with heavy-duty casters and recessed spring-loaded handles.
- Designed with integrated caster dishes on the lid for secure, space-saving stacking.
- Secures fixtures with recessed, industrial-grade butterfly latches for reliable transit.
- Delivers a purpose-built solution for protecting valuable lighting assets on the road.
