

Rogue R1X Spot (2) Road Case

A durable, custom-built road case that securely holds and protects two Rogue R1X Spot fixtures while simplifying transport and maximizing storage space.

Ideal for mobile production companies, lighting rental houses, and touring applications where equipment protection and efficient truck packing are essential.

- Built with rugged plywood, aluminum edging, and steel ball corners for maximum durability.
- Features a custom-molded foam interior that precisely fits two Rogue R1X Spot fixtures.
- Equipped with heavy-duty casters for effortless mobility during load-in and load-out.
- Designed with stacking caster dishes for secure, space-efficient transport and storage.
- Includes recessed, spring-loaded handles and butterfly latches for easy handling.
- Safeguards your lighting investment with robust construction designed for rigorous touring.
