

## Maverick MK2 Wash and MK Pyxis (4) Road Case

A custom-built road case designed to safely transport and store four Maverick MK2 Wash or Maverick MK Pyxis fixtures, ensuring durability and maximizing truck space. Ideal for touring productions, rental houses, and mobile event companies requiring a rugged, space-efficient solution for protecting and transporting lighting investments.

- Houses four Maverick MK2 Wash or Pyxis fixtures in custom-molded compartments.
- Built with rugged plywood and reinforced metal edging for maximum durability.
- Features heavy-duty casters for smooth and effortless transport between venues.
- Designed with stacking caster dishes for secure, space-efficient truck packing.
- Offers recessed, spring-loaded handles for comfortable and secure handling.
- Secures with robust butterfly latches to protect your lighting investment on the road.
