

Rogue R3 Wash (4) Road Case

A custom-built road case designed to securely transport and protect four Rogue R3 Wash fixtures.

Ideal for touring companies and mobile productions needing a durable solution to simplify load-in, maximize truck space, and protect their lighting investment on the road.

- Custom-molded interior provides a secure fit for four Rogue R3 Wash units.
- Features a tour-grade plywood construction with durable metal edging and ball corners.
- Interior foam compartments isolate each fixture to prevent damage during transit.
- Includes professional-grade casters and recessed handles for easy transport and handling.
- Secured with recessed butterfly latches for reliable closure and added protection.
- Designed with dimensions optimized for efficient, space-saving truck pack configurations.
