

Ovation Ellipsoidal (6) Road Case

A durable, custom-built road case designed to protect and transport up to six compatible Ovation E-series ellipsoidal fixtures.

Perfect for rental houses, touring productions, and mobile venues needing to efficiently move, protect, and store their lighting investments.

- Supports a wide range of Ovation E-series fixtures, including IP-rated models.
- Provides custom foam-lined compartments to securely hold each individual fixture.
- Built with four heavy-duty casters for effortless mobility during load-in and out.
- Designed to standard truck-pack dimensions for efficient, space-saving transport.
- Includes a dedicated internal compartment for storing lenses, clamps, and accessories.
- Features recessed, industrial-grade latches and handles to prevent snags and damage.
