

CTC-SLC

This slim, anodized aluminum half-coupler clamp features a 360-degree wrap-around design and a heavy-duty M12 bolt for secure, damage-free mounting.

Its lightweight profile and captive T-handle make it ideal for quickly and safely hanging lighting fixtures from standard 2-inch (50 mm) truss systems.

- Super Lightweight half-coupler clamp made of aluminum and stainless steel
- Built with versatility, safety and durability in mind
- 360-degree wrap around style won't scratch or damage truss
- Fits the TRUSST CT290 series and other major brands of truss
- Heavy duty captive T-handle for easy installation
- Ideal for hanging light fixtures from truss and pipe systems
