

LLG

A water-based, non-toxic, and unscented fluid designed to produce a thick, continuous cloud of low-lying fog that hugs the floor and leaves no residue. Specially crafted for use in the Cloud 9 low-lying fog machine to create continuous, floor-hugging cloud effects.

- Engineered specifically for use in Cloud 9 and Cumulus low-lying fog machines.
- Creates a dense, continuous cloud effect that remains low to the ground.
- A non-toxic and non-flammable solution ensures safe operation in any environment.
- The clean, residue-free formula will not stain fabrics or damage surfaces.
- The completely unscented composition avoids distractions for performers and audiences.
- Optimizes machine performance for a continuous, reliable low-lying cloud effect.
