

Ovation F 7.5" Barndoor V2

An all-metal, eight-leaf barn door accessory designed to precisely control and shape the light output from wash fixtures with a 7.5-inch accessory slot. Ideal for theatrical, broadcast, and event lighting applications requiring focused beam shaping and the elimination of unwanted light spill.

- Features an eight-leaf design for highly precise beam shaping and control.
- Built with rugged, all-metal construction for enhanced durability and reliability.
- Designed for seamless integration with fixtures accepting a 7.5-inch (191 mm) accessory.
- Effectively eliminates light spill and glare for clean, focused illumination.
- Creates sharp cuts and defined beam angles for theatrical and broadcast use.
- Offers a simple, tool-free installation for rapid deployment and adjustments.
