

# Ovation Ellipsoidal HD Lens Tubes

A universally compatible lens tube for all ERS-style ellipsoidal fixtures, featuring high-precision HD optics within a rugged housing for superior image quality and durability. Ideal for any touring, broadcast, or theatrical production that demands robust construction and high-precision optical performance from its lighting fixtures.

- Provides precise focus for exceptionally crisp gobo projection using dual aspheric lenses.
- Offers universal compatibility with CHAUVET Professional and other standard ERS-style fixtures.
- Features a rugged housing to protect the high-precision HD optics during production and transport.
- Available in six fixed focal lengths, from a narrow 5° to a wide 36°.
- Simplifies adding color media with an integrated gel frame holder and included gel frame.
- Delivers superior image quality and brightness with a high-precision HD optical design.
