

Ovation Houselight Recess Kit

An add-on accessory kit that enables the seamless recess mounting of Ovation H-265WW or H-605FC fixtures into a ceiling.

Perfect for creating a clean, integrated lighting installation within drop or other ceilings in environments like theaters, houses of worship, and architectural settings.

- Offers versatile recess or sconce style mounting for flexible installation options.
- Creates a clean, finished aesthetic by recessing fixtures flush into ceilings.
- Features a standard white finish that is easily paintable to match any decor.
- Engineered to maintain proper airflow and ventilation for the installed fixture.
- Designed for professional integration into drop ceilings or custom-built structures.
- Provides all necessary hardware for a secure and streamlined installation.
