

Premium Haze Fluid (PHF-5L)

A nontoxic, nonflammable, and unscented haze fluid formulated specifically for CHAUVET Professional haze machines to generate a thin, residue-free mist of haze. Its Actors' Equity Association-rated formula is the ideal choice for theatrical productions, concerts, and any event where a safe and clean atmospheric effect is required.

- Ensures peak performance and longevity in all CHAUVET Professional haze machines.
- Generates a fine, long-lasting haze that will not stain or leave any residue.
- Features a water-based, non-toxic, and non-flammable formula for safe operation.
- Meets the stringent safety standards for an Actors' Equity Association rating.
- Remains completely odorless, making it suitable for sensitive applications.
- Produces a perfect atmospheric medium to accentuate beams and aerial effects.
