REM Rig Bar 100CM -2

A rugged, IP65-rated rig bar that provides dual-function overhead hanging and ground stacking support for REM 1 and REM 3 IP video panels.
Ideal for mobile productions and rental houses needing a versatile, all-weather mounting system for creating both flown and ground-stacked video walls.

- Functions as both a top hanging bar and a ground stack base.
- Designed exclusively for CHAUVET Professional REM 1 and REM 3IP video panels.
- Built with a rugged, IP65-rated design for reliable all-weather use.
- Features an integrated hoist ring for standard 1/2-inch and 5/8-inch shackles.
- Includes an attachment bracket for direct M12 bolt-on clamp connections.
- Reduces inventory needs by serving as both a hanging and stacking solution.
