

STRIKE Array Flush Bracket

A lightweight, IP65-rated aluminum diecast mounting bracket for STRIKE Array fixtures that eliminates the yoke to create a cleaner and easier-to-hang array.

Ideal for building tightly-packed arrays in productions and installations where a seamless, clean aesthetic is required.

- Eliminates the standard yoke for direct, flush-mounting of STRIKE Array fixtures.
- Enables seamless, tightly-packed arrays for a clean and unified aesthetic.
- Built from lightweight, IP65-rated aluminum diecast for outdoor-ready durability.
- Supports a total load capacity of up to 16 STRIKE Array cells.
- Streamlines rigging in space-constrained production and architectural environments.
- Features a professional black finish to discreetly integrate into any stage design.
