

WELL FIT X – 15° Filter Pack

A convenient six-pack of 15° filters housed in magnetic frames, designed to easily widen the beam angle of WELL FIT X fixtures.

Perfect for applications requiring a tighter beam, such as accenting architectural elements, pinpointing decor, or creating dramatic uplighting.

- Widens the native 11.5° beam angle of WELL FIT X fixtures to 17.3°.
- Magnetic frames enable instant, tool-free installation and removal on site.
- Packaged as a set of six filters, ideal for outfitting a full charging case.
- Compact design allows for simple storage directly within the fixture's charging case.
- A single notch on the frame provides quick and clear identification of the filter.
- Delivers a 17.3° beam and 32.8° field angle for a smooth, diffused wash.
