

WELL FIT X – 60° x 10° Filter Pack

A six-pack of 60 x 10° elliptical filters housed in magnetic frames, designed to quickly and easily shape the light output of the WELL FIT X fixture.

These are ideal for applications requiring a wide, linear wash of light, such as grazing walls, backlighting scenery, or highlighting architectural features.

- Transforms the WELL FIT X beam into a wide 18.4° x 49.5° elliptical wash.
- Features magnetic frames for instant, tool-free installation and removal on site.
- Ships as a convenient six-pack for easily outfitting multiple fixtures.
- Designed for compact storage directly within the WELL FIT X charging case.
- Includes a distinct double notch for quick, tactile identification of the filter.
- Maintains a bright output of 1827 lumens for powerful wash applications.
