

WELL FIT X – Single Charger

A dedicated, single-unit charger specifically designed to recharge the WELL FIT X lighting fixture.

Perfect for replacing a lost or damaged unit or for charging an individual fixture separately.

- Charges a single WELL FIT X fixture without the multi-unit flight case.
- Features a specially angled plug to keep the fixture upright during charging.
- Built with an auto-ranging power supply for global voltage compatibility.
- Delivers a stable 42W output for efficient and reliable recharging.
- Provides charging flexibility for single units or as a dependable spare.
- Its compact design is perfect for easy transport and individual use.
