

## WELL POD 2 White Fixture Cover

A six-piece pack of durable white covers designed to quickly and easily slide onto WELL POD 2 fixtures to change their housing color.

Perfectly suited for weddings, corporate events, and architectural installations where the fixtures need to blend seamlessly into a white or light-colored environment.

- Provides a clean, white housing to help fixtures blend into surrounding decor.
- Features an integrated glare shield to reduce unwanted light spill and focus the beam.
- Engineered for a precise fit that allows for quick, tool-free installation.
- Allows fixtures to be stored in their road case with the cover still attached.
- Sold as a six-piece pack to simplify outfitting multiple fixtures for an event.
- Built from durable materials to withstand repeated use in rental applications.
